

Product Overview  
Hypoallergenic Earring Collection

# SENSITIVE

by STUDEX®

# SENSITIVE COLLECTION

The Sensitive earring collection puts a sparkle on even the most sensitive ears. Made from the finest hypoallergenic surgical stainless steel, some gold plated, these earrings are nickel safe.

Customers with sensitive skin will be wowed by the variety of gorgeous designs you offer, including adornments with Cubic Zirconia, glass beads or Austrian crystals.

Point-Of-Sale And Marketing Support For

# SENSITIVE by STUDEX

As a Studex Partner, you can choose from a variety of product displays and marketing materials for a great presentation of our hypoallergenic, skin-friendly jewelry at your point of sale. We're glad to help you attract the attention your store deserves.

[www.studex.com/studexsensitive.html](http://www.studex.com/studexsensitive.html)

## EXCLUSIVE POUCH

Depending on the displays you choose, our Sensitive earrings come in pairs on black puff pads or pink heart-shaped pads. We offer a pretty, soft black pouch with a matching Studex ribbon to present each pair of earrings to your customers.

## JEWELRY BOX

Sensitive earrings are also available in these little jewelry boxes.

## DISPLAYS
